Message from the Manager

It is hard to believe that we are already counting down the final days of 2020. As we get ready to close the book on this year, I want to wish you and your family a healthy and happy holiday and a wonderful New Year.

Looking back over 2020, it was a whirlwind year dominated by The Pandemic and political news. I am happy to report that the news took on a more positive flavor as the area began moving past the economic struggles of this year.. Even with all of the above mentioned, nothing is more important than our intended mission of ensuring we are helping to improve the financial lives of our members and that is our number one priority. We have a great Board of Directors and Committee members, all of whom are volunteers and deserve our appreciation. Their support and contributions are vital to the success of our Credit Union.

I sincerely appreciate your past support and thank you in advance for your continued support during 2021. In this very busy world of ours, we seldom take the time to express our appreciation for the efforts of those who help us in many ways. I wanted to make certain you knew how appreciative I am. I hope each and everyone has a New Year filled with good health, peace and prosperity.

Respectfully,
Freda Henderson

Snowed Under by Holiday Bills?

It is easy to over-spend during the holiday season. It's much harder to pay off those bills—especially if you charged them on a high-interest credit card. Who wants to spend months paying for the gifts given over the holidays? Let SPCU help you with your holiday bills. Speak to an SPCU loan officer today.
