July 01, 2020 Change-in-Terms rules of Reg CC:

\$200 is changing to \$225. This amount is used on case by case holds and will impact most financial institutions. \$5,000 is changing to \$5,525. This amount is used on certain special exception holds, such as large deposit holds, new account holds, and repeatedly overdrawn holds. This change will also impact most financial institutions. \$400 is changing to \$450. This relates to the rarely used rule that permits financial institutions to extend holds by one business day when a deposit is taken for withdrawal by cash or similar means. Civil liability under Reg CC has been changed from \$1000 and \$500,000 to \$1,100 and \$552,500 respectively.

**Are you having problems with your debit
 card not working?**

There could be a simple solution to correct this problem. Make sure all of your information on file with Savannah Postal is correct and up to date. We have gone live with our debit cards so having the correct information on file is extremely important. Your address including your zip code and phone numbers **MUST** match. If they do not match, it will hinder proper usage of your card.

HAPPY BIRTHDAY TO SPCU

Savannah Postal Credit Union is a non-profit, member-owned cooperative dedicated to service. We opened our doors on July 12, 1952 and for just about 68 years this purpose has guided our Credit Union. In this day of bank mergers and consolidations, and various new back to basics slogans, the basics of Savannah Postal Credit Union remain as solid as ever. We think that is worth celebrating. Come by and join us for refreshments on Friday, July 10th.

Want to save time? Please use Suzi, our automated teller. This will save you time and can answer all of your questions.

SUZI'S NUMBER IS:

(912) 234-9565

Identity theft is a form of stealing someone's identity to gain access to resources such as obtaining credit or benefits in that persons name. One simple way to protect yourself from being a victim is shredding all your important personal financial documents. This includes bank statements, credit card statements, pay stubs, old utility bills or anything with checking account information, passwords or social security numbers on them.
