## HAPPY BIRTHDAY TO SPCU

Savannah Postal Credit Union is a non-profit, member-owned cooperative dedicated to service. We opened our doors on July 12, 1952 and for just about 69 years this purpose has guided our Credit Union. In this day of bank mergers and consolidations, and various new back to basics slogans, the basics of Savannah Postal Credit Union remain as solid as ever.

**Want to save time? Please use Suzi, our automated teller. This will save you time and can answer all of your questions.**

**SUZI'S NUMBER IS:

Identity theft is a form of stealing someone's identity to gain access to resources such as obtaining credit or benefits in that persons name. One simple way to protect yourself from being a victim is shredding all your important personal financial documents. This includes bank statements, credit card statements, pay stubs, old utility bills or anything with checking account information, passwords or social security numbers on them.
