Take A Moment To Thank A Veteran

When you see someone in a uniform,
Someone who serves us all,
Doing military duty,
Answering their country's call,

Take a moment to thank them
For protecting what you hold dear;
Tell them you are proud of them;
Make it very clear.

Just tap them on the shoulder,
Give a smile, and say,
"Thanks for what you're doing
To keep us safe in the USA!"

Hurricanes can pose a serious threat to both your life and property. These natural disasters produce winds ranging from 74 to 200 miles per hour. A storm with that much power can cause catastrophic damage and severe flooding. Weather can be unpredictable, so it's vital to have a hurricane safety plan in place for your business or facility. If you are on or near the east or gulf coasts of the U.S. it's important that you plan a safe evacuation route that will take you 20-50 miles inland. Contact your local emergency management office or American Red Cross chapter, and ask for the community's [emergency preparedness](#) plan. In addition, take the time to discuss your plan with any family members, friends or coworkers so that everyone is on the same page if this natural disaster happens to strike. Don't wait until the storm hits to get all the supplies and products you need to stay safe. Make sure you have flashlights and batteries, portable battery operated radio and extra batteries, first aid supplies, food and water, can opener, local maps, medicines and medical supplies. Stay Alert.....

INTERESTING FACTS ABOUT THE 4TH OF JULY:

- The word ‘patriotism’ comes from the Latin patria, which means ‘homeland’ or ‘fatherland.’
- Both Thomas Jefferson and John Adams died on Independence Day, July 4, 1826.
- The 56 signers of the Declaration of Independence did not sign at the same time, nor did they sign on July 4, 1776. The official event occurred on August 2, 1776, when 50 men signed it.
- The origin of Uncle Sam probably began in 1812, when Samuel Wilson was a meat packer who provided meat to the US Army. The meat shipments were stamped with the initials, U.S. Someone joked that the initials stood for “Uncle Sam”. This joke eventually led to the idea of Uncle Sam symbolizing the United States government.

HURRICAN SEASON IS IN EFFECT, ARE YOU PREPARED?

Know all evacuation routes if you live close to the coast. Make sure you have enough supplies on hand which includes water, batteries, flashlights, non-perishable foods and a first aid kit. If you are on medication make sure you have any prescriptions filled and have enough on hand. Gather together all your important documents and keep them in a plastic waterproof bag to take with you. It is also a good idea to have plenty of gas in your car. Protect windows with plywood and secure all outside objects. You will need to make sure you have enough cash on hand in case ATM’s are not working.
