It is to your advantage to borrow from your Credit Union because; generally we have the lowest interest rates.

Borrowing money from Savannah Postal Credit Union is different than borrowing from other lending institutions, because the funds from which you borrow have been built by your own savings, and those of other members.

In addition to encouraging savings in its membership, our Credit Union provides low cost loans to members for worthwhile purposes. Loans may be obtained for many reasons including debt consolidation, vacation, taxes, insurance, new and used vehicles, and various other needs.

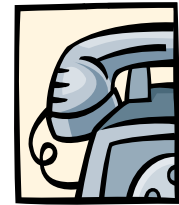

To apply for a loan, you must be a member of Savannah Postal Credit Union and you must have a minimum balance of \$150.00 in your savings account for the duration of the loan. For other qualifications, check with our Credit Union staff. The amount you may borrow depends on your annual income, credit history, and monthly debt ratio.

**REMEMBER:** “Your credit history is like your shadow – it follows you everywhere.
